WELCOME TO ***OPUS 12***

Perfection and a sublime sense of the meaning of life are not something that can and should be described in words. Once we reach them, we repeat our attempts to experience them again. Attempts occupy the mind with the pursuit of perfection. When we realize that feeling, we become addicted to it and do everything to possess it permanently.

THE DESIGN & LIFESTYLE ON BOARD

OPUS 12 SPORTY DAY CRUISER

Opus 12 is a sporty day cruiser with which you will be able to comfortably cruise at high speeds and discover new landscapes. It is the ideal choice for those who like to spend their holidays actively.

FREE YOUR SPIRIT ON THE OPUS 12.

THE DESIGN & LIFESTYLE ON BOARD

COMFORTABLE AND SAFE OUTDOOR SPACE

The benches are made of carefully selected, highly resistant materials. The type of material is the client's choice.

GUEST ACCOMMODATION

The master cabin allows you to relax on the couch. When you need a longer rest, the comfortable pillows can be folded down to create a large bed for two persons. In the main cabin, there is also a toilet with a smart glass option. This feature creates a larger visual space with the possibility of retracting the glass walls to obtain a larger space when the toilet is not in use.

ABOUT US

ABOUT US

Adriatic Solution is a company based in Zadar, renowned for its dedication to excellence in the yachting industry. Our crown jewel, the Opus 12, represents the epitome of luxury and performance. Designed for those who seek the ultimate yachting experience, the Opus 12 combines sleek aesthetics with unmatched speed and comfort, making it the perfect choice for discerning yacht owners. Its spacious deck, premium materials, and superior craftsmanship have positioned it as a benchmark in the world of day cruisers and tenders.

As we continue to push the boundaries of design and engineering, our team has also expanded its expertise with the creation of a new 9.6-meter custom tender. While the Opus 12 remains our flagship model, this new tender reflects our ongoing commitment to innovation and the evolving needs of yacht owners.
